**Agenda No. 9:** Any other matter with the permission of the chair.

**Proceedings:**

- i) Principal Dr. Shaila Bootwala informed the Academic council that the term of the VC nominees of the previous academic Council was completed and the college has communicated with SPPU regarding the same. Three letters were sent in February, June and July followed by six physical visits by Dr. Mulla. However the University Authorities have not sent the names of VC nominees for the college academic Council. Considering the Autonomy regulations 2023 issued by UGC, the meetings of the statutory bodies have to be held every six months. Thus the college had to conduct the Academic Council meeting without the VC nominees.
- ii) Dr. Bootwala also proposed to start a PG diploma in Data Science and AI for the PG students across all faculties and UG students of the science faculty. She suggested that this would boost the admissions and attract more students for PG programs.

The Meeting concluded with a vote of thanks by Mrs. Gauri Devasthale.
